

## **NEFR 2021**

### **Competitor Bulletin 4**

### **July 27, 2021**

1. Scrutineering will now open at 11:30am on July 29<sup>th</sup>, 2021 due to the large entry for NEFR 2021. Please remember that Scrutineering will close promptly at 7:30pm. Please see the Supps for alternate access to Scrutineering.
2. The Beaver Pond Stage, SS 4, is now deemed to be a one way only road for the Recce on Thursday, July, 29<sup>th</sup>, 2021. The consideration of the additional 10 minutes to use the full transit in the Route Book will provide maximum safety for all on this very narrow road. For Two Pass Recce competitors the transit will take you directly to the Herbie French Road for continuation to the Icicle Brook Stage saving a bit more time. Please see the Recce Instructions provided at Recce Registration for full directional information.
3. Remember that Remote Refuels are fuel only.
4. FOOD Due to our recent Covid issues we have all endured, staffing in many areas of our rally area have been hit hard with many establishments running with very limited staff.

Please have your teams take every opportunity to eat your meals early. The restaurant, Camp at the Grand Summit will stop serving food at 9:00pm, as are many of the local Bethel restaurants. Please plan to have food for late returning recce teams on Thursday, eat well before for all Service Teams each day and plan ahead for all competitors coming in on Friday.

The after event Barbecue on Saturday evening will be open until 10:15pm. It has been scheduled to provide ample time for teams to eat after competition ends. The bar at Camp will be open until normal closing time for the after party.

The River Haus and Well restaurant will be Open past 9:00pm on Thursday, Friday and into Saturday and will have a limited menu along with a bar. There is limited seating. They have been most helpful in opening for our needs.

The Sunday River Brewing Company, says it is open until 10:00pm, Thursday, Friday and Saturday.

A further sad option is McDonalds, located on Route 2 as you approach Rumford, this may be helpful for teams running late on Thursday coming from the Recce.

Northern Lights @ The Jordan Thursday 7am-3:30pm, Friday 7am-8pm and  
The Clubhouse @ golf course 8am-8pm.

Please plan ahead.
